MOORE DENIES JEWELRY THEFT

Pleads Not Guilty to Charge of Burglary When Arraigned in Circuit Court Today

TRIAL SET FOR JUNE 16

Grand Larceny Case Set For Today is Postponed—Jury Called For Service Friday

William Moore, the colored man who is in jail charged with burglarizing the William B. Poe and Son jewelry store, was arraigned shortly before noon today and entered a plea of not guilty, and went back to jail to await his trial, which has been set for June 16.

Moore told the court that he was 27 years old. He is married and resided in Ohio, according to his story related to Prosecutor Stevens, and he continued to deny the theft, stating that someone had given him the watches and rings.

While enroute home from Indianapolis where he was arrested on suspicion, when a quantity of jewelry was found on him, he told Mr. Poe that if there were three watches missing, he only got two of them, which was taken to mean a confession that he had robbed the store, and he was not questioned any further until he denied the robbery.

A criminal case set for today was continued. The case of the state against Samuel H. Coulter and William W. Coulter, charged with grand larceny, was to be tried, but William Coulter asked for a separate trial, which was granted, and on account of the illness of an attorney, the case was continued.

The jury has been called into service for Friday, when the case of Thomas J. Marshall against Capp Miller and Delancey Miller will be heard. The action is a damage suit and \$2,000 is demanded as judgment.

On account of the case being expected to cause selection of a jury to be difficult, the court today ordered a special venire of ten names drawn to report in the morning.

John D. Farlow of near Milroy, was arraigned today on two grand jury indictments, one charging intoxication and the other for operating a motor vehicle while intoxicated. He pleaded not guilty to each charge, and provided \$50 bond on each charge for his appearance later.

BONUS BILL IS BLOCKED

Sen. Williams Objects When McCumber Asks Unanimous Consent

Washington, June 8—Senate consideration of the revised soldier bonus bill was temporarily blocked today. Senator Williams of Mississippi, democrat, interposed an objection when Senator McCumber, chairman of the finance committee, presented the report and asked unanimous consent that it be officially recognized by the senate.

Unanimous consent was needed because the senate is now considering the tariff bill under a previous agreement.

Williams gave no reason for his action and McCumber announced he would again try to introduce the report later in the day.

CIVIL SUIT DISMISSED

A civil suit in Justice Stech's court, set for this morning was dismissed by agreement, in the case of Elizabeth Trennepohl against Chase Pea, for possession of a dwelling house. The defendant agreed to vacate the property on next Monday, and the case was not tried. The case of the Sampson Poultry Company of Morristown against Warren P. Elder, a complaint on an account, was also set for trial this morning, but the matter was continued until next Monday at ten o'clock, upon motion of the defense.

Meets Former Local Hotel Man In Utah

W. O. Feudner Surprised When Inquiry is Made For Him at Thistle and He Finds S. W. (Bill) Nicholas. Rotary Special Meets With Another Delay.

When the Indiana Rotary club special, enroute to Los Angeles, Cal., for the international convention of Rotary clubs, arrived at Thistle, Utah, a porter came to the entrance of the car on which Mr. and Mrs. W. O. Feudner of Rushville were riding, and asked:

"Is tha' a Mistah Bill Feudnum in dis ca'?"

Mr. Feudner was very naturally surprised that anyone should be acquainted with him out in the "wilds" of Utah and he went outside to see who had inquired about him.

It was S. W. (Bill) Nicholas who formerly ran the Windsor hotel in Rushville. He is running the restaurant at the railroad station at Thistle and has charge of the heating plant for all the mineral baths at the resort.

Mr. Feudner, in his letter describing the incident, says that Thistle is located in a beautiful place at the junction of two canyons, with the mountains all green to the top, a distance of 3,000 feet. Beyond the canyons the country opens into a beautiful valley about ten miles wide and there are sugar beet loading stations every few miles, indicating that this is the leading industry.

The Indiana Rotarians were due in Los Angeles Monday, but they evidently arrived late because of a delay of ten or twelve hours twenty miles west of Soldier Summit, Utah, Sunday afternoon when a piece of mountain about the size of an acre slid down over the railroad track about three miles below Soldier Summit. Three big steam shovels and a derrick were employed in removing the earth from the right-of-way and the trains began to move again at two o'clock Sunday afternoon.

ENTRIES IN STATE BABY SHOW URGED

Requests For Application Blanks For "Better Babies" Contest at State Fair, can be Made

SOME RULES ARE OUTLINED

Miss Grace Ewing, County Nurse, Will Gladly Furnish Information Concerning Contest

"The better baby contest at the State Fair is no longer an experiment," says Ada E. Schweitzer, M. D., Director of Division of Infant and Child Hygiene, Indiana State Board of Health. "Why shouldn't a state which has the best corn and the best stock, have the best babies?" The Child Hygiene Division was asked to conduct a better baby contest and was promised everything needed in equipment and assistance. This promise was more than fulfilled during the contests of 1920 and 1921.

The classes in the 1921 contest were for babies of one year up to three years from towns of 10,000 or over and from the smaller towns and rural districts. Prizes were offered in the Better Babies Contest for the best boy and the best girl in the age groups of 1 to 24 and of 24 to 36 months with a sweepstakes prize for the best boy and the best girl. Separate classes were also made for twins and triplets.

Every score in the Baby Contest represents a consideration of nutrition, habits, freedom from defects, intelligence and development. Every mother was told whether any changes or correct corrections were needed in any of these respects. Always an effort is made to impress the value of regularity and correct diet and long hours of sleep for the growing child. The early correct care is emphasized in every way, as it is only by regular supervision that the majority of children will come to school age free from defects and vigorous enough to attack any task.

The 1922 Baby Contest at the Indiana State Fair will be bigger and better than ever before. It is hoped that every County in the State will be represented. The babies from each county who score highest in that county will be awarded ribbons. Parents may begin now to prepare their babies for the Contest. Regular feeding intervals, free elimination, long hours of sleep in fresh air, peace and harmony in the home, promote health. Milk, fruit, fresh green vegetable, bread and butter for the baby who has just been weaned, all help maintain healthy growth.

Requests for registration blanks should be sent to L. Neut. Brown, Secretary, State Board of Agriculture, Indianapolis, early. Babies who have reached or passed their first birthday by the fourth of September and babies who have not reached or passed the third birthday are eligible.

Grace Ewing, County Red Cross Nurse, would be very glad to give information and advice, also concerning the contest. Miss Ewing is well prepared to give the information as in the 1921 contest she was one of the assistants for the Division of Infant and Child Hygiene.

INSURGENTS DRIVEN BACK

Irish Republican Army Retreats Before the British Regulars

London, June 8.—British troops today drove Republican insurgents from the vicinity of Belleek, on the Ulster border.

Two hundred infantry, supported by artillery, entered the town early this morning, and were expected to consolidate their positions during the day.

Rebel opposition was confined to sniping, the main Republican force retreating from behind Belleek into Free State territory.

COMMUNITY DAY IS CELEBRATED

Kiwanis Club Enjoys Arlington's Hospitality and Members and Ladies Eat Supper There

ADDRESS BY R. E. MANSFIELD

S. L. Trabue Speaks in Behalf of Kiwanians and Elmer Hutchinson Responds For Community

Community Day was celebrated Wednesday evening by the Rushville Kiwanis club and the people of Arlington, at the Christian church in that place, where a chicken dinner was served by the ladies of the church to about 85 Kiwanians and their ladies.

The regular business session followed the dinner in the basement of the church, and Robert E. Mansfield addressed the club on Canadian affairs and conditions in that dominion. After this session, the members and guests were welcomed into the auditorium of the church which was well filled with citizens of Arlington.

At this meeting, J. T. Arbuckle presided and Samuel L. Trabue spoke on behalf of the club on the community spirit, and stated that the best way in which the spirit could be brought out was by meetings similar to these, and also the observance of the Centennial of Rush county, which will be held here next week.

Elmer Hutchinson responded for the community and assured the Kiwanians that Posey township would be well represented at the forthcoming event. The Rev. Mr. Kearn also spoke and stated that the community was glad to have the visitors with them, and hoped that they would come back again.

W. A. Young and Dr. Frank Green spoke to the audience on the Boys camp, and the affairs of the young people. Music consisting of well known songs also were sung by the audience in which B. F. Miller led, and Mrs. George Hogsett provided the accompaniment on the piano.

The meeting at Arlington was one of a series which the club is making throughout the county, visiting the communities and having dinner with the church societies.

Centennial Notes

The Centennial committee would like the name, age and address of each person in the county who is 80 or more years of age; also whether born in this county. Send this information to George W. Young, Rushville, Indiana.

Among the relics to be exhibited is a copy of Robinson Crusoe, published in London in 1722. This book is the property of Dr. Frank M. Sparks. The map of the world shown in this book is very interesting to the lovers of geography.

The descendants and other relatives of William B. Laughlin will hold a reunion at the rest room of the library at the court house at 10 a. m. on Thursday, June 15. It is urged that all such attend without fail.

Reports from all parts of the county show that rehearsals for the pageant are progressing nicely. Daily practice is being held in Rushville. The mystery surrounding the rehearsals adds to the interest.

Through the courtesy of Howard Clawson of Manila, the Peoples National bank has on display in its lobby an assortment of old coins and currency, which are specimens of the coins and paper money used by the pioneers of the county. Everybody is welcome to call and see this interesting exhibit.

Preparatory to the Centennial celebration next week, the Rev. L. E. Brown of the Main Street Christian church will deliver two addresses at that church in keeping with the thought of the hour. The morning sermon will be "The

BRIGHT PROSPECTS SEEN

Credit Men in Convention Say Business is Growing Steadily

Indianapolis, Ind., June 8—Bright prospects in the future of American business were forecast by the National Association of Credit men meeting here today in annual convention.

Many members said that business is improving with steady growth and stability without inflation such as experienced by the nation during the war.

Dr. J. T. Holdsworth, vice-president of the Bank of Pittsburgh in a speech last night before members of the foreign credit conference advocated long term credits to foreign buyers "who need our products but who must be given time to pay for them."

FORTY CENTS COST OF PRIMARY VOTES

Total Expense of Election May 2 Amounts to \$2,251.66, According to Claims Allowed

MOSTLY FOR PRECINCT BOARDS

Cost of Assessing Real Estate and Personal Property Totals \$6,041, Records Show

The primary election in Rush county May 2 second cost approximately forty cents a vote, according to the claims for the election expenses which were allowed at the regular June meeting of the county board of commissioners this week and have just been entered on the claim docket.

The claims also included the expense of assessing, which amounted to a total of \$6,041. This was the sum allowed the township assessors and their deputies for doing the work.

The total expense of conducting the primary election was \$2,251.66, the claim docket shows. The bulk of the expense was for precinct election officers.

There was a total of 5,590 votes cast for all candidates for United States senator, which multiplied by forty cents, would give \$2,236.00.

All members of the election boards were allowed \$3 a day, including the inspectors, clerks, judges and sheriffs. All members of the board excepting inspectors were allowed one day, although some filed for more than one day. The inspectors were paid for three days because they had to come to the clerk's office in the court house for their supplies before the election, deliver the election returns to the clerk's office following the election and canvass the township vote the day after the election.

The expense of assessing ran higher in Rushville township, of course, than in any other township. The cost to this township alone was \$1,250.00.

The expense in other townships ran as follows: Ripley, \$497; Posey, \$440; Walker, \$421; Orange, \$428; Anderson, \$455; Jackson, \$400; Center, \$414; Washington, \$428; Union, \$443; Noble, \$437; Richland, \$418.

The dispatch under date of June 6, follows: "Motor sailor with eight men of sailing party missing. Last seen off sandy Point, Anurday, 1:30 June 4. Can find no trace after two days searching over Anurday and shore line. Believed sailors probably capized in a sudden squall."

Mac Eldridge, seaman, second class, Howell, Ind., was the only Indiana man in the party.

SPEECH TO HAVE SALUATORY EFFECT

Senator Watson's Warning to Foreign Ambassadors Expected to Keep Them From Meddling

DISCUSSED DOMESTIC TOPICS

Indiana Senator Referred to Remarks of British and Italian Ambassadors Recently

The view is expressed in leading newspapers of the country that Senator James E. Watson's speech in the senate this week regarding the meddling of foreign envoys in the domestic affairs of this country, will have a saluatory effect.

Senator Watson referred to the remarks of Ambassador Geddes of England and the Italian ambassador, Vittorio Ricci, which were made in reference to tariff and merchant marine legislation being considered in the senate.

Senator Watson conferred with Secretary of State Hughes Wednesday afternoon, and after the conference, according to a dispatch from the correspondent of the Indianapolis Star, expressed the belief that foreign diplomats hereafter will be careful to refrain from meddling in American domestic problems. He would not divulge what was said at the conference, but it is understood he and Secretary Hughes discussed the matter at some length and that the explanation offered by British Ambassador Geddes was presented to the senator.

The Italian ambassador, Vittorio Rolandi Ricci, has not yet called on Secretary Hughes, but it is expected he will find it convenient to do so at most any time. Senator Watson, in discussing the pending protective tariff bill, complained the British and Italian ambassadors and a French consul had delivered speeches which suggested "unjust interference" with our domestic affairs, including the tariff and merchant marine. The Italian ambassador was said to have been the chief offender. Following the Indiana senator's speech, Ambassador Geddes voluntarily called at the State Department to submit a stenographic copy of his speech which drew the criticism. The British ambassador expressed the belief he had been misquoted and that this led to the criticism. The Italian ambassador is expected to come forth with an explanation for his utterances.

The matter is a closed incident, so far as Senator Watson is concerned. He called attention to the matter in his public speech, but he leaves it to diplomatic channels to adjust the matter and guard against indiscreet utterances in future by foreign representatives to this country.

Senator Watson's address is the subject of wide editorial comment in the leading journals of the country.

"A good service has been rendered by Senator Watson of Indiana in reminding the envoys of foreign governments that they should not inject themselves into American political affairs," declares the Washington Post. "This service is beneficial not only to the United States, but to the envoys themselves and will do much to eliminate possible causes of friction between the United States and foreign governments. Senator Watson alludes to specific instances in which, in his opinion, foreign envoys have overstepped the mark in their criticism of American policy, or in their objections to proposed legislation. But Americans insist on exercising their own judgment and their collective public opinion is still sound, notwithstanding attempts to poison."

It is said Senator Watson called at the State Department on another matter and not for the purpose of discussing the section from his speech, but Secretary of State Hughes availed himself of the opportunity to take up the matter at some length. The State Department undoubtedly will find no official reason for complaining about the British, French and Italian speeches in this country in reference to American matters, but doubtless will drop the hint to speak more guardedly in the future.

WELCOME

Our Centennial

Let us not fail to place a high estimate upon the value of this unusual community.

Its dependable character today is not an accident, but the direct result of its first settlers.

We take it for granted that the actual descendants of our first citizens will reach a surprising number when the list is tabulated.

Every citizen of our goodly county is peculiarly interested in this historic event. Especially do we ask that you are here to meet and assist in the entertainment of a multitude of actual home-comers. Should the location of our store room suit your convenience, make it your headquarters for the occasion and we will gladly care for you the best we can.

YOU ARE INVITED.

A rehearsal of the Rushville community orchestra will be held at the court house assembly room tonight at eight o'clock to prepare for an appearance at the Rush county Centennial celebration next week. SPEECH TO HAVE SALUATORY EFFECT

Continued from Page One

Among congratulatory messages received by Senator Watson, following the delivery of his speech, was one from the editor of an Italian newspaper in New York, who, as an American, believes the bounds of propriety when he delivered the address which brought the Indiana senator's complaint.

Senator Watson is quoted in the Congressional Record as saying:

“We must not have an American merchant marine, must not have a merchant marine on this side. Who said so? The British Ambassador. We must use British ships, we must employ the British merchant marine to do our carrying.

“This mighty nation, situated as it is between the two imperial seas of the world, ought to have the carrying trade of the earth and their American commerce in American ships, built by American laboring men, investing American capital and flying always the American flag: Is not that the right policy for the United States? Oh, but our friend from abroad says no; we must use

British ships we must not have an American merchant marine, or they will not trade with us.”

The Woman's Missionary Society of the Little Flatrock Christian church will serve a penny supper in the basement of the church Friday evening June 9, beginning at seven o'clock.

KINGDOM IS WITHIN:
Neither shall they say, Lo here! or lo, there! for, behold the kingdom of God is within you.—Luke 17: 21.

It Also Begins at Home

Some people are perfectly willing to feed millions of dollars to the birds—provided they are other people's dollars.

Kidney and Bladder Troubles HAVE TO GO

Clogged up Kidney Deposits Are Dissolved and the Toxins (Poisons) Completely Driven Out. Druggists Told to Guarantee it in Every Instance.

"Your very life," says Dr. Carey, "depends upon the perfect functioning and health of your kidneys so whatever you do don't neglect them."

Dr. Carey's famous prescription No. 777 (Liquid or Tablets) is not recommended for everything, but we cannot too strongly urge its use if you suffer from annoying bladder troubles, frequent passing of water night and day, with smarting or irritation, brick dust sediment or highly colored urine, bloating irritability with loss of flesh, backache, rheumatism or any other tendency to Bright's Disease, Diabetes or Gravel, for kidney disease in its worst form may be stealing upon you.

Don't wait until tomorrow to begin the use of this wonderful prescription if you have any of the above symptoms. Kidney and Bladder troubles don't wear away. They will grow upon you slowly, stealthily and with unfailing certainty.

Never mind the failures of the past if you even suspect that you are subject to kidney disease; don't lose a single day for every good druggist has been authorized to return the purchase money on the first bottle to all who state they have received no benefit.

SAP AND SALT
BY Bert Moses

Art and anarchy are largely matters of hair-cut and neck-tie.

The test of a man is how little he whimpers when tough luck hits him.

It's hard to lose a good job, but the only calamity is to lose hope.

A man ought to try to get as much in his head as he has in his pocket.

To be progressive, learn something today that you didn't know yesterday.

distrust everywhere, it is difficult to understand how adequate security can be offered for such loans.

International bankers and bond houses may advocate them, but such concerns do not as a rule invest their own money. The glib public supplies the "dough" when it buys the bonds. And incidentally, Mr. International Banker slices off his full pound of flesh by underwriting the bond issue.

If we have any money to feed to the birds we can find plenty of the feathery tribe in our own yards.

Feeding, like charity, should begin at home.

After the Gougers

The attorney general of the United States announces that he is going after the war gougers and grafters—the men who robbed the nation while others were fighting for it.

The announcement comes after the press of the country, regardless of politics, had spoken to the point and in no uncertain terms.

It is to be hoped that adequate punishment will be inflicted before it becomes necessary for the press to cease talking and resort to roaring.

A thief is a thief, whether he be rich and powerful or poor and unknown.

Much has been said in the press of late regarding the millions of dollars grafted from the public treasury and it has taken a long time to say it.

The public demand is insistent that these rich grafters be ferreted out and properly punished, and their stolen wealth returned to the government.

It has taken a long time to work up the demand.

Forgive Them

Foreigners of distinction come to this country, criticise us, laugh at our "provincialism," and go home envying our progressive spirit. The harsh things said of us are many and biting, yet we forgive them in those who have eaten of our salt.

A former American diplomat gave some good sound advice to certain people in the Balkans and a French court sentenced him to twenty years imprisonment—during his absence.

The sentence will never be carried out—for two reasons. First, the French Government will never have the nerve to pursue the farce to an

end. Second, the American fist is still hard and there is plenty of power behind it.

BASEBALL LEAGUE SPLITS

Southern Indiana Outfit Decides to
Quit—Teams to go 'it Alone

The Southern Indiana baseball
league, which had been composed of
eight teams: since Madison and
Rushville were dropped, also dis-
banded at a meeting held Wednesday
afternoon in Greensburg, and all of
the teams will play independent ball.
Six of the clubs voted to quit while
only two of them wanted to have
the league remain.

Practically every team in the league
was losing money on their home
games, as too much expense was
made in putting a team in the field,
and the visiting team also demanded
a big share of the receipts. Rush-
ville and Madison dropped out two
weeks ago, and at that time it was
intimated that the league would not
last very long.

The Score Board

Yesterday's Hero — Babe Ruth
singled in the eighth inning and
drove in two runs that gave the
Yanks a 9 to 7 victory over the
White Sox.

Lee Meadows held the Pirates to
six hits—three of them homers by
Bigbee, Tierney and Gooch but the
Phils lost, 5 to 0.

Rip Collins was given fine backing
in the pinches and he pitched the
Red Sox to a 7 to 3 win over the
Browns. McManus and Menoskey
hit homers.

The Giants pounded three pitchers
all over the lot and beat the Cubs
9 to 4. Frank Snyder hit a homer.
Four runs scored in the fourth
inning allowed the Reds to beat the
Robins, 6 to 2.

Washington advanced to third
place by winning the second straight
game from Cleveland, 9 to 8, in 11
innings.

The Boston Braves won their
sixth straight game when they beat
the Cards, 5 to 2.

Detroit went into fifth place by
taking the second straight game from
the Athletics, six to two.

ANDERSONVILLE HERE

The Rushville Merits will meet
some stiff opposition here Sunday
afternoon when they meet the And-
ersonville Blues. The game will be
played on the West Third street dia-
monds on account of the Tail Lights
playing at Cambridge City. The
Rushville team will have Shaw or
Yazel on the mound with Snider on
the receiving end.

HER AILMENTS ALL GONE NOW

Mrs. Sherman Helped by
Lydia E. Pinkham's Veg-
etable Compound

Lake, Michigan. — "About one year ago
I suffered with irregularities and a weak-
ness and at times was
obliged to stay off my
feet. I doctored with
our family physician
and he finally said he
could not understand
my case, so I decided
to try Lydia E. Pink-
ham's Vegetable
Compound. After I
had taken the first
bottle I could see
that I was getting
better. I took several
bottles of the Vegetable Compound and
used Lydia E. Pinkham's Sanative Wash
and I am entirely cured of my ailments.
You may publish this letter if you
wish." — Mrs. MARY SHERMAN, Route 2,
Lake, Mich.

There is one fact women should con-
sider and that is this. Women suffer from
irregularities and various forms of weak-
ness. They try this and that doctor, as
well as different medicines. Finally they
take Lydia E. Pinkham's Compound,
and Mrs. Sherman's experience is simply
another case showing the merit of this
well-known medicine.

If your family physician fails to help
you and the same old troubles persist,
why isn't it reasonable to try Lydia E.
Pinkham's Vegetable Compound?

AMUSEMENTS

A Screen Classic

Pronounced a screen classic by
leaders in the motion picture indus-
try who predict that it will be one
of the cinema sensations of the year,
"The Rosary," Selig and Rork's first
big independent production for As-
sociated First National, was shown
at the New Princess Wednesday and
is the offering again today.

In addition to the unfolding of
a great story, "The Rosary," filmed
under the direction of Jerome Storm
presents an all-star cast, headed by
Lewis Stone, Jane Novak, Wallace
Beery and Robert Gordon, and in-
cluding such well known players as
Dore Davidson, Pomeroy Gannon,
Bert Woodruff, Mildred June, Harold
Goodwin and Eugenie Besserer, who
repeats on the screen the role of
the mother which she created on the
stage.

"The Rosary," is an original
story by Bernard McConville inspir-
ed by the theme of Edward E. Rose's
famous stage.
Lewis Stone has the principal
male role as Father Brian Kelly, a
part that has ever been the goal of
many great actors, and in it he is
said to give the screen one of his
finest characterizations.

MOORE DENIES JEWELRY THEFT

Pleads Not Guilty to Charge of Burglary When Arraigned in Circuit Court Today

TRIAL SET FOR JUNE 16

Grand Larceny Case Set For Today is Postponed—Jury Called For Service Friday

William Moore, the colored man who is in jail charged with burglarizing the William B. Poe and Son jewelry store, was arraigned shortly before noon today and entered a plea of not guilty, and went back to jail to await his trial, which has been set for June 16.

Moore told the court that he was 27 years old. He is married and resides in Ohio, according to his story related to Prosecutor Stevens, and he continued to deny the theft, stating that someone had given him the watches and rings.

While enroute home from Indianapolis where he was arrested on suspicion, when a quantity of jewelry was found on him, he told Mr. Poe that if there were three watches missing, he only got two of them, which was taken to mean a confession that he had robbed the store, and he was not questioned any further until he denied the robbery.

A criminal case set for today was continued. The case of the state against Samuel H. Coulter and William W. Coulter, charged with grand larceny, was to be tried, but William Coulter asked for a separate trial, which was granted, and on account of the illness of an attorney, the case was continued.

The jury has been called into service for Friday, when the case of Thomas J. Marshall against Capt. Miller and Delaney Miller will be heard. The action is a damage suit and \$2,000 is demanded as judgment.

On account of the case being expected to cause selection of a jury to be difficult, the court today ordered a special venire of ten names drawn to report in the morning.

John D. Farlow of near Milroy, was arraigned today on two grand jury indictments, one charging intoxication and the other for operating a motor vehicle while intoxicated. He pleaded not guilty to each charge, and provided \$50 bond on each charge for his appearance later.

BONUS BILL IS BLOCKED

Sen. Williams Objects When McCumber Asks Unanimous Consent

Washington, June 8.—Senate consideration of the revised soldier bonus bill was temporarily blocked today. Senator Williams of Mississippi, democrat, interposed an objection when Senator McCumber, chairman of the finance committee, presented the report and asked unanimous consent that it be officially recognized by the senate.

Unanimous consent was needed because the senate is now considering the tariff bill under a previous agreement.

Williams gave no reason for his action and McCumber announced he would again try to introduce the report later in the day.

CIVIL SUIT DISMISSED

A civil suit in Justice Stecher's court, set for this morning was dismissed by agreement, in the case of Elizabeth Trennepohl against Chase Pen, for possession of a dwelling house. The defendant agreed to vacate the property on next Monday, and the case was not tried. The case of the Sampson Poultry Company of Morrisstown against Warren P. Elder, a complaint on an account, was also set for trial this morning, but the matter was continued until next Monday at ten o'clock, upon motion of the defense.

Meets Former Local Hotel Man In Utah

W. O. Feudner Surprised When Inquiry is Made For Him at Thistle and He Finds S. W. (Bill) Nicholas. Rotary Special Meets With Another Delay.

When the Indiana Rotary club special, enroute to Los Angeles, Cal., for the international convention of Rotary clubs, arrived at Thistle, Utah, a porter came to the entrance of the car on which Mr. and Mrs. W. O. Feudner of Rushville were riding, and asked:

"Is this a Mistah Bill Feudner in dis car?"

Mr. Feudner was very naturally surprised that anyone should be acquainted with him out in the "wilds" of Utah and he went outside to see who had inquired about him.

It was S. W. (Bill) Nicholas who formerly ran the Windsor hotel in Rushville. He is running the restaurant at the railroad station at Thistle and has charge of the heating plant for all the mineral baths at the resort.

Mr. Feudner, in his letter describing the incident, says that Thistle is located in a beautiful place at the junction of two canyons, with the mountains all green to the top, a distance of 3,000 feet. Beyond the canyons the country opens into a beautiful valley about ten miles wide and there are sugar beet loading stations every few miles, indicating that this is the leading industry.

The Indiana Rotarians were due in Los Angeles Monday, but they evidently arrived late because of a delay of ten or twelve hours twenty miles west of Soldier Summit, Utah, Sunday afternoon when a piece of mountain about the size of an acre slid down over the railroad track about three miles below Soldier Summit. Three big steam shovels and a derrick were employed in removing the earth from the right-of-way and the trains began to move again at two o'clock Sunday afternoon.

ENTRIES IN STATE BABY SHOW URGED

Requests For Application Blanks For "Better Babies" Contest at State Fair, can be Made

SOME RULES ARE OUTLINED

Miss Grace Ewing, County Nurse, Will Gladly Furnish Information Concerning Contest

"The better baby contest at the State Fair is no longer an experiment," says Ada E. Schweitzer, M. D., Director of Division of Infant and Child Hygiene, Indiana State Board of Health. "Why shouldn't a state which has the best corn and the best stock, have the best babies?"

The Child Hygiene Division was asked to conduct a better baby contest and was promised everything needed in equipment and assistance. This promise was more than fulfilled during the contests of 1920 and 1921.

The classes in the 1921 contest were for babies of one year up to three years from towns of 10,000 or over and from the smaller towns and rural districts. Prizes were offered in the Better Babies Contest for the best boy and the best girl in the age groups of 1 to 24 and of 24 to 36 months with a sweepstakes prize for the best boy and the best girl. Separate classes were also made for twins and triplets.

Every score in the Baby Contest represents a consideration of nutrition, habits, freedom from defects, intelligence and development. Every mother was told whether any changes or correct corrections were needed in any of these respects. Always an effort is made to impress the value of regularity and correct diet and long hours of sleep for the growing child. The early correct care is emphasized in every way, as it is only by regular supervision that the majority of children will come to school age free from defects and vigorous enough to attack any task.

The 1922 Baby Contest at the Indiana State Fair will be bigger and better than ever before. It is hoped that every County in the State will be represented. The babies from each county who score highest in that county will be awarded ribbons. Parents may begin now to prepare their babies for the Contest.

Regular feeding intervals, free elimination, long hours of sleep in fresh air, peace and harmony in the home, promote health. Milk, fruit, fresh green vegetable, bread and butter for the baby who has just been weaned, all help maintain healthy growth.

Requests for registration blanks should be sent to I. Kent Brown, Secretary, State Board of Agriculture, Indianapolis, early. Babies who have reached or passed their first birthday by the fourth of September and babies who have not reached or passed the third birthday are eligible.

Grace Ewing, County Red Cross Nurse, would be very glad to give information and advice, also concerning the contest. Miss Ewing is well prepared to give the information as in the 1921 contest she was one of the assistants for the Division of Infant and Child Hygiene.

INSURGENTS DRIVEN BACK

Irish Republican Army Retreats Before the British Regulars

London, June 8.—British troops today drove Republican insurgents from the vicinity of Belleek, on the Ulster border.

Two hundred infantry, supported by artillery, entered the town early this morning, and were expected to consolidate their positions during the day.

Rebel opposition was confined to sniping, the main Republican force retreating from behind Belleek into three State territory.

COMMUNITY DAY IS CELEBRATED

Kiwanis Club Enjoys Arlington's Hospitality and Members and Ladies Eat Supper There

ADDRESS BY R. E. MANSFIELD

S. L. Trabue Speaks in Behalf of Kiwanians and Elmer Hutchinson Responds For Community

Community Day was celebrated Wednesday evening by the Rushville Kiwanis club and the people of Arlington, at the Christian church in that place, where a chicken dinner was served by the ladies of the church to about 85 Kiwanians and their ladies.

The regular business session followed the dinner in the basement of the church, and Robert E. Mansfield addressed the club on Canadian affairs and conditions in that dominion. After this session, the members and guests were welcomed into the auditorium of the church which was well filled with citizens of Arlington.

At this meeting, J. T. Arbuckle presided and Samuel L. Trabue spoke on behalf of the club on the community spirit, and stated that the best way in which the spirit could be brought out was by meetings similar to these, and also the observance of the Centennial of Rush county, which will be held here next week.

Elmer Hutchinson responded for the community and assured the Kiwanians that Posey township would be well represented at the forthcoming event. The Rev. Mr. Kearn also spoke and stated that the community was glad to have the visitors with them, and hoped that they would come back again.

W. A. Young and Dr. Frank Green spoke to the audience on the Boys camp, and the affairs of the young people. Music consisting of well known songs also were sung by the audience in which B. F. Miller led, and Mrs. George Hogsett provided the accompaniment on the piano.

The meeting at Arlington was one of a series which the club is making throughout the county, visiting the communities and having dinner with the church societies.

Centennial Notes

The Centennial committee would like the name, age and address of each person in the county who is 80 or more years of age; also whether born in this county. Send this information to George W. Young, Rushville, Indiana.

Among the relics to be exhibited is a copy of Robinson Crusoe, published in London in 1722. This book is the property of Dr. Frank M. Sparks. The map of the world shown in this book is very interesting to the lovers of geography.

The descendants and other relatives of William B. Laughlin will hold a reunion at the rest room of the library at the court house at 10 a. m. on Thursday, June 15. It is urged that all such attend without fail.

Reports from all parts of the county show that rehearsals for the pageant are progressing nicely. Daily practice is being held in Rushville. The mystery surrounding the rehearsals adds to the interest.

Through the courtesy of Howard Clawson of Manila, the Peoples National bank has on display in its lobby an assortment of old coins and currency, which are specimens of the coins and paper money used by the pioneers of the county. Everybody is welcome to call and see this interesting exhibit.

Preparatory to the Centennial celebration next week, the Rev. L. E. Brown of the Main Street Christian church will deliver two addresses at that church in keeping with the thought of the hour. The morning sermon will be "The Centennial of Rush County."

BRIGHT PROSPECTS SEEN

Credit Men in Convention Say Business is Growing Steadily

Indianapolis, Ind., June 8.—Bright prospects in the future of American business were forecast by the National Association of Credit men meeting here today in annual convention.

Many members said that business is improving with steady growth and stability without inflation such as experienced by the nation during the war.

Dr. J. T. Holdsworth, vice-president of the Bank of Pittsburgh in a speech last night before members of the foreign credit conference advocated long term credits to foreign buyers "who need our products but who must be given time to pay for them."

FORTY CENTS COST OF PRIMARY VOTES

Total Expense of Election May 2 Amounts to \$2251.66, According to Claims Allowed

MOSTLY FOR PRECINCT BOARDS

Cost of Assessing Real Estate and Personal Property Totals \$6,041, Records Show

The primary election in Rush county May 2 second cost approximately forty cents a vote, according to the claims for the election expenses which were allowed at the regular June meeting of the county board of commissioners this week and have just been entered on the claim docket.

The claims also included the expense of assessing, which amounted to a total of \$6,041. This was the sum allowed the township assessors and their deputies for doing the work.

The total expense of conducting the primary election was \$2,251.66, the claim docket shows. The bulk of the expense was for precinct election officers.

There was a total of 5,590 votes cast for all candidates for United States senator, which multiplied by forty cents, would give \$2,236.00.

All members of the election boards were allowed \$9 a day, including the inspectors, clerks, judges and sheriffs. All members of the board excepting inspectors were allowed one day, although some filed for more than one day. The inspectors were paid for three days because they had to come to the clerk's office in the court house for their supplies before the election, deliver the election returns to the clerk's office following the election and canvass the township vote the day after the election.

The expense of assessing ran higher in Rushville township, of course, than in any other township. The cost to this township alone was \$1,250.00.

The expense in other townships ran as follows: Ripley, \$497; Posey, \$440; Walker, \$421; Orange, \$428; Anderson, \$455; Jackson, \$400; Center, \$414; Washington, \$428; Union, \$443; Noble, \$437; Richland, \$418.

EIGHT SAILORS MISSING

The dispatch under date of June 6, follows: "Motor sailor with eight men of sailing party missing. Last seen off sandy Point, Anurday, 1:30 June 4. Can find no trace after two days searching over Anurday and shore line. Believed sailors probably capsized in a sudden squall."

Mac Eldridge, seaman, second class, Howell, Ind., was the only Indiana man in the party.

SPEECH TO HAVE SALUTATORY EFFECT

Senator Watson's Warning to Foreign Ambassadors Expected to Keep Them From Meddling

DISCUSSED DOMESTIC TOPICS

Indiana Senator Referred to Remarks of British and Italian Ambassadors Recently

The view is expressed in leading newspapers of the country that Senator James F. Watson's speech in the senate this week regarding the meddling of foreign envoys in the domestic affairs of this country, will have a salutatory effect.

Senator Watson referred to the remarks of Ambassador Geddes of England and the Italian ambassador, Vittorio Ricci, which were made in reference to tariff and merchant marine legislation being considered in the senate.

Senator Watson conferred with Secretary of State Hughes Wednesday afternoon, and after the conference, according to a dispatch from the correspondent of the Indianapolis Star, expressed the belief that foreign diplomats hereafter will be careful to refrain from meddling in American domestic problems. He would not divulge what was said at the conference, but it is understood he and Secretary Hughes discussed the matter at some length and that the explanation offered by British Ambassador Geddes was presented to the senator.

The Italian ambassador, Vittorio Rolandi Ricci, has not yet called on Secretary Hughes, but it is expected he will find it convenient to do so at most any time. Senator Watson, in discussing the pending protective tariff bill, complained the British and Italian ambassadors and a French consul had delivered speeches which suggested "unjust interference" with our domestic affairs, including the tariff and merchant marine. The Italian ambassador was said to have been the chief offender. Following the Indiana senator's speech, Ambassador Geddes voluntarily called at the State Department to submit a stenographic copy of his speech which drew the criticism. The British ambassador expressed the belief he had been misquoted and that this led to the criticism. The Italian ambassador is expected to come forth with an explanation for his utterances.

The matter is a closed incident, so far as Senator Watson is concerned. He called attention to the matter in his public speech, but he leaves it to diplomatic channels to adjust the matter and guard against indiscreet utterances in future by foreign representatives to this country.

Senator Watson's address is the subject of wide editorial comment in the leading journals of the country.

"A good service has been rendered by Senator Watson of Indiana in reminding the envoys of foreign governments that they should not inject themselves into American political affairs," declares the Washington Post. "This service is beneficial not only to the United States, but to the envoys themselves and will do much to eliminate possible causes of friction between the United States and foreign governments. Senator Watson alludes to specific instances in which, in his opinion, foreign envoys have overstepped the mark in their criticism of American policy, or in their objections to proposed legislation. But Americans insist on exercising their own judgment and their collective public opinion is still sound, notwithstanding attempts to poison."

It is said Senator Watson called at the State Department on another matter and not for the purpose of discussing the section from his speech, but Secretary of State Hughes availed himself of the opportunity to take up the matter at some length. The State Department undoubtedly will find no official reason for complaining about the British, French and Italian speeches in this country in reference to American matters, but doubtless will drop the hint to speak more guardedly in the future.

WELCOME

Our Centennial

Let us not fail to place a high estimate upon the value of this unusual community.

Its dependable character today is not an accident, but the direct result of its first settlers.

We take it for granted that the actual descendants of our first citizens will reach a surprising number when the list is tabulated.

Every citizen of our goodly county is peculiarly interested in this historic event. Especially do we ask that you are here to meet and assist in the entertainment of a multitude of actual home-comers. Should the location of our store room suit your convenience, make it your headquarters for the occasion and we will gladly care for you the best we can.

Faith of the Fathers" and in the evening "One Hundred Years of Hoosier History." At both of these services the old-fashioned songs will be sung.

A rehearsal of the Rushville community orchestra will be held at the court house assembly room tonight at eight o'clock to prepare for an appearance at the Rush county Centennial celebration next week. Members of the organization join in urging that all musicians of the county attend the rehearsal tonight and play with the orchestra, thus making its representative of the entire county at the centennial.

SPEECH TO HAVE SALUATORY EFFECT

Continued from Page One

Among congratulatory messages received by Senator Watson, following the delivery of his speech, was one from the editor of an Italian newspaper in New York, who, as an American, believes the bounds of propriety when he delivered the address which brought the Indiana senator's complaint.

Senator Watson is quoted in the Congressional Record as saying: "We must not have an American merchant marine, must not have a merchant marine on this side. Who said so? The British Ambassador. We must use British ships, we must employ the British merchant marine to do our carrying."

"This mighty nation, situated as it is between the two imperial seas of the world, ought to have the carrying trade of the earth and their American commerce in American ships, built by American laboring men, investing American capital and flying always the American flag: Is not that the right policy for the United States? Oh, but our friend from abroad says no; we must use

British ships we must not have an American merchant marine, or they will not trade with us."

The Woman's Missionary Society of the Little Flatrock Christian church will serve a penny supper in the basement of the church Friday evening June 9, beginning at seven o'clock.

Dr. Carey's famous prescription
No. 777 (Liquid or Tablets) is not
recommended for everything, but
we cannot too strongly urge its use
if you suffer from annoying blad-
der troubles, frequent passing of
water night and day, with smart-
ing or irritation, brick dust sedi-
ment or highly colored urine, bloat-
ing irritability with loss of flesh,
backache, rheumatism or any other

Don't wait until tomorrow to be-

International bankers and bond

After the Gougers

The attorney general of the United
States announces that he is go-
ing after the war gougers and graft-
ers—the men who robbed the nation
while others were fighting for it.

The announcement comes after the
press of the country, regardless of
politics, had spoken to the point and
in no uncertain terms.

It is to be hoped that adequate
punishment will be inflicted before it
becomes necessary for the press to
cease talking and resort to roaring.

A thief is a thief, whether he be
rich and powerful or poor and un-
known.

Mach has been said in the press
of late regarding the millions of
dollars grafted from the public
treasury and it has taken a long
time to say it.

The public demand is insistent
that these rich grafters be ferreted
out and properly punished, and their
stolen wealth returned to the gov-
ernment.

It has taken a long time to work
up the demand.

Forgive Them

Foreigners of distinction come to

The sentence will never be carried

the nerve to pursue the farce to an

end. Second, the American fist is
still hard and there is plenty of pow-
er behind it.

BASEBALL LEAGUE SPLITS

Southern Indiana Outfit Decides to Quit—Teams to go it Alone

The Southern Indiana baseball league, which had been composed of eight teams since Madison and Rushville were dropped, also disbanded at a meeting held Wednesday afternoon in Greensburg, and all of the teams will play independent ball. Six of the clubs voted to quit while only two of them wanted to have the league remain.

Practically every team in the league was losing money on their home games, as too much expense was made in putting a team in the field, and the visiting team also demanded a big share of the receipts. Rushville and Madison dropped out two weeks ago, and at that time it was intimated that the league would not last very long.

The Score Board

Yesterday's Hero—Babe Ruth singled in the eighth inning and drove in two runs that gave the Yanks a 9 to 7 victory over the White Sox.

Lee Meadows held the Pirates to six hits—three of them homers by Bigbee, Tierney and Gooch but the Phils lost, 5 to 0.

Rip Collins was given fine backing in the pinches and he piloted the Red Sox to a 7 to 3 win over the Browns. McManis and Menoskey hit homers.

The Giants pounded three pitchers all over the lot and beat the Cubs 9 to 4. Frank Snyder hit a homer.

Four runs scored in the fourth inning allowed the Reds to beat the Robins, 6 to 2.

Washington advanced to third place by winning the second straight game from Cleveland, 9 to 8, in 11 innings.

The Boston Braves won their sixth straight game when they beat the Cards, 5 to 2.

Detroit went into fifth place by taking the second straight game from the Athletics, six to two.

ANDERSONVILLE HERE

The Rushville Merits will meet some stiff opposition here Sunday afternoon when they meet the Andersonville Blues. The game will be played on the West Third street diamonds on account of the Tail Lights playing at Cambridge City. The Rushville team will have Shaw or Yazel on the mound with Snider on the receiving end.

HER AILMENTS ALL GONE NOW

Mrs. Sherman Helped by Lydia E. Pinkham's Vegetable Compound

Lake, Michigan.—"About one year ago I suffered with irregularities and a weakness and at times was obliged to stay off my feet. I doctored with our family physician and he finally said he could not understand my case, so I decided to try Lydia E. Pinkham's Vegetable Compound. After I had taken the first bottle I could see that I was getting better. I took several bottles of the Vegetable Compound and used Lydia E. Pinkham's Sanative Wash and I am entirely cured of my ailments. You may publish this letter if you wish."—Mrs. MARY SHERMAN, Route 2, Lake, Mich.

There is one fact women should consider and that is this. Women suffer from irregularities and various forms of weakness. They try this and that doctor, as well as different medicines. Finally they take Lydia E. Pinkham's Compound, and Mrs. Sherman's experience is simply another case showing the merit of this well-known medicine.

If your family physician fails to help you and the same old troubles persist, why isn't it reasonable to try Lydia E. Pinkham's Vegetable Compound?

AMUSEMENTS

A Screen Classic

Pronounced a screen classic by leaders in the motion picture industry who predict that it will be one of the cinema sensations of the year, "The Rosary," Selig and Rork's first big independent production for Associated First National, was shown at the New Princess Wednesday and is the offering again today.

In addition to the unfoldment of a great story, "The Rosary," filmed under the direction of Jerome Storm presents an all-star cast, headed by Lewis Stone, Jane Novak, Wallace Beery and Robert Gordon, and including such well known players as Dore Davidson, Pomeroy Gannon, Bert Woodruff, Mildred June, Harold Goodwin and Eugenie Besserer, who repeats on the screen the role of the mother which she created on the stage.

"The Rosary," is an original story by Bernard McConville inspired by the theme of Edward E. Rose's famous stage.

Lewis Stone has the principal male role as Father Brian Kelly, a part that has ever been the goal of many great actors, and in it he is said to give the screen one of his finest characterizations.

A STOMACH REMEDY FOR EVERY HOME MEDICINE CHEST

William H. Griffin, of Oswego, N. Y., is a thoughtful son. When he heard of this quick, sure relief for indigestion and dyspepsia he remembered his mother and sent her a package of Jaques' Little Wonder Capsules, which gave her such relief from indigestion that they now have a permanent place in the Griffin family medicine chest.

Mr. Griffin writes: "I purchased a box of your Jaques' Little Wonder Capsules, which I sent to my mother, who at times suffered greatly from indigestion. I am very happy to say that they do everything you claim they will do. From now on they will have a permanent place in our family medicine chest."

Every family medicine chest or cabinet should have its package of Jaques' Little Wonder Capsules.
